

The Pine Trail

The trail starts from the bridge of river Pena under the village of Brodec. The climb starts on a wide unpaved road in the direction towards south-southwest. The first part of the climb to the place called Mal Jelak, passes through a beech forest. From Mal Jelak, at the spot where the river is impounded, the trail passes on the left bank of the river and continues to ascent to Jelak. In this part, we go through a forest belt of fir trees. Moving along the road (still a wide unpaved road) we reach a viewpoint from which we begin to move to east. If we go just 50 meters off the road to the west, we arrive to the viewpoint where the beautiful view of the valley of the river Studena Reka and Jelacki Crn Vrv can be seen. Moving towards the east, we arrive at Jelak, where the Mountain Hut "Jelak" is located. From that point, the trail leads us to the hill above Popova Shapka and from there we are heading towards the southeast on a pasture ground and then descend to the Popova Shapka ski center.
